MUHAMADHU AFRIH

SOFTWARE ENGINEER INTERN

Motivated IT student with hands-on experience in web development, specializing in the MERN stack. Skilled in both front-end and back-end development, with a strong interest in cloud computing. I'm eager to contribute my expertise while expanding my knowledge in a real-world environment. Known for quickly mastering new technologies, I am actively seeking an internship where I can apply my skills, grow professionally, and collaborate with a forward-thinking team.
